

### PAY AND CONDITIONS GUIDE

**Aquaculture Industry Award 2010 [MA000114]** ('modern award')  
replacing terms and conditions in or derived from

**Agriculture, Forestry and Fishing Industry Sector Minimum Wage Order - Victoria - 1997 [AP767376]** ('pre-modern award')

**(VIC)**

Effective from 01 January 2014.

Published 16 April 2015 

#### **Background**

This guide was developed by the Fair Work Ombudsman to assist employers and employees covered by this modern award, pre-modern award and pay scales derived from this pre-modern award to identify minimum wages, penalties, loadings and allowances.

#### **Transitional arrangements**

Modern awards commenced operation on 01 January 2010. However, minimum wage, loading and penalty entitlements commence from 01 July 2010. Almost all modern awards include provisions to 'transition' employers and employees from their pre-modern award to the modern award system.

This modern award includes transitional provisions that provide for the 'phasing in' of increases or decreases in minimum wages, penalties and loadings in the modern award in 5 increments over 4 years from 01 July 2010. All other terms and conditions in this modern award apply in full from 01 January 2010.

The rates in this guide are current from the first pay period on or after 01 January 2014. The rates set out in this guide will change from the first full period on or after 01 July each year to take account of Fair Work Australia's annual wage review and transitional arrangements. The rates may also change as a result of a Fair Work Australia decision to vary the modern award or pay and condition entitlements of the modern award from time to time.

#### **Transitional arrangements for Division 2B State awards**

Division 2B State awards (other than Division 2B enterprise awards) terminate at the end of 31 December 2010 and, from 1 January 2011, employers and employees are covered by the relevant modern award. However, most modern awards provide that all the terms of Division 2B State awards continue to apply until the end of the full pay period which started before 1 February 2011.

The employers affected include sole traders, partnerships, other unincorporated entities and non-trading corporations in New South Wales, Queensland, South Australia and Tasmania who are covered by a Division 2B State award.

From the first full pay period starting on or after 1 February 2011, an employer who was covered by a Division 2B State award, must comply with all of the terms and conditions contained in their relevant modern award, and any transitional arrangements that apply. Transitional arrangements in most modern awards for Division 2B State award employers provide that from the first full pay period starting on or after 1 February 2011, they must pay at least the same minimum wage rates, penalties and loadings as national system employers who are transitioning from the equivalent NAPSA. There are some exceptions and special transitional arrangements that apply in certain situations. If you require help determining whether these exceptions or special transitional arrangements apply to you, please contact the Fair Work Infoline on 13 13 94.

Note: Modern awards are not intended to reduce an employee's take-home pay. An employee or his/her union can apply to Fair Work Australia for a take-home pay order to remedy any reduction in his/her overall take-home pay.

### **Who should use the guide?**

Employees and employers who were entitled to terms and conditions in or derived from this pre-modern award and who are now covered by this modern award.

A guide that has an AP (Pre-reform award) code typically applies to employees employed by a constitutional corporation. Usually these are companies that engage in trading or financial activities. Private companies are often identified by the 'Pty Ltd' in their name. It applies to employers in those categories who were bound by the award immediately prior to 01 January 2010.

A guide that has an AN (Notional agreement preserving State awards) code also typically applies to employees employed by a constitutional corporation. However, unlike pre-reform awards these are notional federal agreements that were created on 27 March 2006. Generally, they preserved the terms and conditions of employment (not including wage rates) in state awards and/or state legislation that applied immediately before 27 March 2006 to employees of constitutional corporations in NSW, QLD, SA, WA and TAS where State award/laws applied to those employers prior to 27 March 2006.

A guide that has an AT code typically applies to employees employed by non-constitutional corporations immediately before 27 March 2007 where the employer was bound by a Federal award. These will be sole traders, partnerships, other unincorporated entities or non-trading/financial corporations.

The guide contains information from this modern award about:

- who the modern award covers;
- wage rates, including rates for casual employees, junior employees, trainees and apprentices;
- penalty rates for working at particular times or under particular arrangements;
- allowances; and
- other conditions of employment.

### **What if an agreement applies to employees covered by the modern award?**

Minimum wage entitlements in a modern award override lesser wage entitlements in an agreement or contract of employment at all times, including agreements and contracts that were made before the commencement of the *Fair Work Act 2009*. All employees covered by the modern award must not be paid less than the rate of pay in the modern award.

However, the penalty rates and allowances in the modern award do not apply to agreement-covered employees, unless the agreement is read in conjunction with the

modern award (e.g. a pre-reform certified agreement (a type of collective agreement made before 27 March 2006)).

If you require assistance with any provisions of this guide please contact the **Fair Work Infoline** on **13 13 94**.

## **Coverage**

This industry award applies throughout Australia to employers engaged in the breeding, production, farming and related harvesting of fish, shellfish, crustacea and marine vegetation and operations ancillary thereto including initial preparation for market and their employees in the classifications in this modern award to the exclusion of any other modern award.

The award does not cover an employee excluded from award coverage by the Act.

The award does not cover employees who are covered by a modern enterprise award, or an enterprise instrument (within the meaning of the Fair Work (Transitional Provisions and Consequential Amendments) Act 2009 (Cth)), or employers in relation to those employees.

The award does not cover employees who are covered by a State reference public sector modern award, or a State reference public sector transitional award (within the meaning of the Fair Work (Transitional Provisions and Consequential Amendments) Act 2009 (Cth)), or employers in relation to those employees.

This award covers any employer which supplies labour on an on-hire basis in the industry set out in the first paragraph in respect of on-hire employees in classifications covered by this award, and those on-hire employees, while engaged in the performance of work for a business in that industry. This subclause operates subject to the exclusions from coverage in this award.

This award covers employers which provide group training or related temporary employment services for trainees engaged in the industry and/or parts of industry set out in the first paragraph and those trainees engaged by a group training or related temporary employment service hosted by a company to perform work at a location where the activities described herein are being performed. This subclause operates subject to the exclusions from coverage in this award.

Where an employer is covered by more than one award, an employee of that employer is covered by the award classification which is most appropriate to the work performed by the employee and to the environment in which the employee normally performs the work.

NOTE: Where there is no classification for a particular employee in this award it is possible that the employer and that employee are covered by an award with occupational coverage.

## **Wages**

This modern award includes transitional arrangements that apply to minimum wage entitlements from the first pay period on or after 01 July 2010 until the first pay period on or after 01 July 2014 (when modern award wages commence in full).

The following wage tables set out base rates of pay for classifications under the modern award.

It also sets out how the modern award classification matches up with pre-modern award classification. If there is no classification match the employee may be covered by another pre-modern award, or another modern award, such as a modern award that covers the employee's occupation rather than the industry.

The base rates of pay in this guide include any applicable industry allowance. The base rates of pay also include any increase from Fair Work Australia's annual wage review. For more information about transitional arrangements for minimum wage entitlements, please visit [www.fairwork.gov.au](http://www.fairwork.gov.au)

### **Casual employees**

The rates for casual employees set in the table below are minimum rates for **ordinary hours** only.

Please visit [www.fairwork.gov.au](http://www.fairwork.gov.au) for information about penalty entitlements for casual employees.

#### \*Post 26 March 2006 employer

Wage rates for casual employees of employers that became part of the national system after 26 March 2006 do not include annual leave loading because those employees did not have a pre-modern award entitlement to annual leave loading.

### **Adult**

The rates in this guide are current from the first pay period on or after 01 January 2014.

## **Apprentice**

Apprentice employees are not covered by this guide for the modern award and pre-modern award.

**Please note:** This modern award contains special provisions for school based apprentices; these rates are not set out in this guide. For information about transitional rates for these employees please visit [www.fairwork.gov.au](http://www.fairwork.gov.au) and/or contact the **Fair Work Infoline** on **13 13 94**.

## **Trainee**

This modern award incorporates trainee rates derived from the National Training Wage Schedule (NTW Sch.), as adjusted from time to time.

## **Supported Wage**

Please refer to clause 14.2 of the modern award.

For detail of the supported wage provisions see the full version of the award.

## **Penalties and Loadings (other than casual or part-time loadings for ordinary hours)**

Where an employee had an entitlement to a loading/penalty rate before 01 January 2010 that is exactly the same as the modern award loading/penalty entitlement the modern award loading/penalty applies in full from 01 January 2010.

## **Transitional arrangements**

This modern award includes transitional arrangements that apply to loading/penalty entitlements where there is a difference in modern award and pre-modern award loading/penalty entitlements. Transitional arrangements apply from the first pay period on or after 01 July 2010 until the first pay period on or after 01 July 2014 (when modern award loadings/penalties apply in full).

Different arrangements apply depending on whether the entitlements are "equivalent" or not.

- A pre-modern award loading/penalty will be "equivalent" to a modern award entitlement where the loading/penalty applies:
  - for the same purpose (e.g. Saturday penalty);
  - for the same time periods; and

- in the same way#.
- #A pre-modern award and modern award loading/penalty applies in the same way if the entitlements are both:
  - paid at the same frequency, such as per hour or per shift; and
  - paid as a percentage of the same amount (e.g. both penalties are paid as a percentage of the employee's classification rate, rather than as a percentage of a different amount or paid as a flat dollar amount).

Casual loadings and penalties also need to interact with each other in the same way in the pre-modern award and modern award to be equivalent (e.g. the loading and penalty rate are calculated on the base hourly rate in both instruments).

### Equivalent entitlements

If the pre-modern award loading/penalty rate is "equivalent" to the modern award loading/penalty rate the penalty rate is calculated as follows:

1. The difference between the two loading/penalty rates is referred to as a "transitional percentage". The transitional percentage stays the same every year.
2. A proportion of the transitional percentage is calculated each year as follows:

First full pay period on or after	Proportion of transitional percentage
01 July 2010	80%
01 July 2011	60%
01 July 2012	40%
01 July 2013	20%
01 July 2014	0%

3. Where the modern award loading/penalty is higher, the penalty rate is obtained by subtracting the proportion of the transitional percentage.

#### Example:

The table below shows the percentage penalty rates that apply from the first full pay period on or after 01 July 2010 until the last full pay period before 01 July 2011 for common penalty rates.

Please note the below table is a guide **only** and can only be used when the entitlements are equivalent and the modern award penalty is higher.

1/01/2010 Pre-modern award penalty	1/07/2014 Modern award penalty	1/07/2010 Penalty rate (phased)
25%	50%	30%
50%	75%	55%
50%	100%	60%
75%	100%	80%

4. Where the modern award loading/penalty is lower, the penalty rate is obtained by adding the proportion of the transitional percentage.

#### Example:

The table below shows the percentage penalty rates that apply from the first full pay period on or after 01 July 2010 until the last full pay period before 01 July 2011 for common penalty rates.

Please note the below table is a guide **only** and can only be used when the entitlements are equivalent and the modern award penalty is lower.

<b>1/01/2010</b>	<b>1/07/2014</b>	<b>1/07/2010</b>
<b>Pre-modern award penalty</b>	<b>Modern award penalty</b>	<b>Penalty rate (phased)</b>
50%	25%	45%
75%	50%	70%
100%	50%	90%
100%	75%	95%

### Entitlements that are not equivalent

If pre-modern award and modern award penalty rates are not "equivalent", the following approach applies:

1. Loadings/penalty rates from a modern award are phased in from zero in five instalments of 20% by multiplying the penalty rate by the following percentage:

<b>First full pay period on or after</b>	<b>Percent of modern award loading/penalty</b>
01 July 2010	20%
01 July 2011	40%
01 July 2012	60%
01 July 2013	80%
01 July 2014	100%

2. Pre-modern award loadings/penalty rates are phased out to zero in five instalments of 20% by multiplying the penalty rate by the following percentage:

<b>First full pay period on or after</b>	<b>Percent of pre-modern award loading/penalty</b>
01 July 2010	80%
01 July 2011	60%
01 July 2012	40%
01 July 2013	20%
01 July 2014	0%

Please note that a pre-modern award penalty rate can be 'phased out' at the same time that a modern award penalty is 'phasing in' (i.e. where different entitlements apply in the same time period). This means that two different rates may apply for the same time period.

#### Example:

The table below shows the percentage penalty rates that apply from the first full pay period on or after 01 July 2010 until the last full pay period before 01 July 2011 for common penalty rates.

Please note the below table is a guide **only** and can only be used when the entitlements are not equivalent.

<b>1/01/2014</b>	<b>1/07/2010</b>	<b>1/01/2010</b>	<b>1/07/2010</b>
<b>Modern award penalty</b>	<b>Penalty rate (phased)</b>	<b>Pre-modern award penalty</b>	<b>Penalty rate (phased)</b>
	<b>(20.00%)</b>		<b>(80.00%)</b>
10.00%	2.00%	10.00%	8.00%
20.00%	4.00%	20.00%	16.00%

<b>1/01/2014</b>	<b>1/07/2010</b>

130.00%	26.00%
150.00%	30.00%

<b>1/01/2010</b>	<b>1/07/2010</b>
<b>Pre-modern award penalty</b>	<b>Penalty rate (phased)</b>
	<b>(80.00%)</b>
25.00%	20.00%
50.00%	40.00%
75.00%	60.00%
100.00%	80.00%
120.00%	96.00%
125.00%	100.00%
130.00%	104.00%
150.00%	120.00%

### **New entitlements**

Where an employee did not have a particular loading/penalty entitlement before 01 January 2010, the modern award loading/penalty is phased in from zero as a new entitlement from the first pay period on or after 01 July 2010 by multiplying the penalty rate by the following percentage:

<b>First full pay period on or after</b>	<b>Percent of modern award loading/penalty</b>
01 July 2010	20%
01 July 2011	40%
01 July 2012	60%
01 July 2013	80%
01 July 2014	100%

#### *Example:*

The table below shows the percentage penalty rates that apply from the first full pay period on or after 01 July 2010 until the last full pay period before 01 July 2011 for common penalty rates.

Please note the below table is a guide **only** and can only be used when the entitlements in the modern award are new.

<b>1/07/2014</b>	<b>1/07/2010</b>
<b>Modern award penalty</b>	<b>Penalty rate (phased)</b>
25%	5%
50%	10%
75%	15%
100%	20%
